

SMALL WORLD TOURS

WAKULLA SPRINGS & TALLAHASSEE WILDLIFE

OCTOBER 21, 2025

Please join us for another wonderful **Wildlife Adventure!** We begin the day traveling west to **Tallahassee**. Today we'll explore a unique museum, the **Tallahassee Museum**, which celebrates Florida wildlife and its history. Our guided Wildlife Tour strolls the Museum's elevated boardwalks to experience the amazing living displays of native animals in their natural settings. Observe and appreciate these ambassadors from the wild who live or once lived in the Big Bend region. These animals would not survive in the wild; they were either raised in captivity or have limited abilities as a result of an injury. Step back in time as you pass through the doors of our historic buildings reminiscent of southern living in years past – Bellevue house, Bethlehem Missionary Baptist Church, Seaboard Airline Caboose, and Concord Schoolhouse. Each structure represents a community function through which the residents created a sense of purpose and sense of place for themselves and their children. Lunch will be enjoyed here at the Trailbreak Café. We will complete our adventure in the serene setting of **Wakulla Springs**. Listed on the National register of Historic Places, you will get a glimpse of Florida in the 1930's. Our fully narrated scenic boat cruise with delight you with sights and information on the unspoiled natural Florida. Hear the history of those mastodon bones as well as some famous movies that were filmed here. While watching for manatee or gators, listen for the sounds of the wild monkeys! Visit the gift shoppe in the **Historic Edward Ball Lodge** for souvenirs or maybe an ice cream treat from the soda fountain before our departure. **This is a stepping back in time kind of day!**
