## Important Tour Information:

**Book Now rates valid until Aug 20, 2025, valid on air inclusive packages only.**

**The overall activity level of this tour is a level 3.** This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Some of the most unique sightseeing can mean accessing locations that restrict motor coaches, especially in historic areas such as the Old Town of Nice, Monaco, and St. Paul de Vence. If you require a walker or wheelchair, or have difficulty walking, you may not be able to access some of these areas and may want to consider an alternate tour with us. Our Client Care Agents can provide additional information or assistance to help you determine the perfect trip for you.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Your visits to Monaco, the Gardens of Villa Rothschild, and St. Paul de Vence village involve negotiating some steep inclines over cobblestones, gravel, or multiple flights of steps.

**\*\*The Little Train tour operates from February to mid-November.** In the other months, travelers selecting this choice will transfer to the Monte Carlo district by public bus.

**\*The parades take place in the open air and are subject to weather conditions.** Expect big crowds and lines. Seating is in numbered stalls that are not covered. Please be prepared to spend up to 120 minutes outside and consider bringing an extra layer for warmth.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.
